Travel Alert!

The TSA has adjusted its ban on **liquids, aerosols, and gels**, so you can now carry the following items on board your flight:

- **Travel-size toiletries (3 ounces or less) that fit comfortably in a quart-size, clear plastic zip-top bag.** One zip-top bag is permitted per passenger. Beverages and other items purchased in the secure boarding area.
- At the security checkpoint, place the zip-top bag of liquids in a bin or on the conveyor belt for inspection.
- Passengers carrying on larger amounts of **prescription liquid medications, baby formula, and diabetic glucose treatments** must declare these at the security checkpoint for additional screening.

Arrive at the airport early. Enhanced security measures may mean longer lines at security checkpoints.

This new security policy applies to all domestic and international flights departing from U.S. airports.

We always recommend checking the TSA Web site (www.tsa.gov) for the most up-to-date information about security procedures. If you are departing from a non-U.S. airport, be sure to check that airport's security policies and pack accordingly.

Travel Checklist

- **Printed itinerary**—As you will not receive a paper ticket, we suggest you [print this page](#) to take along with you on your trip.
- **Photo ID**—Every passenger must have a valid government-issued photo ID (such as a drivers license or passport). Please note that the name on the photo ID must match the passenger name in the reservation.
- **Terminal/gate information**—Check with the [airline](#) for updated terminal/gate information the day of your travel. Also please note, you can verify the [flight status](#) online. Due to increased security measures you should plan to arrive at the airport two hours prior to departure.
- **What to expect at the airport**—The airline will issue your boarding pass upon check-in. Some airlines allow you to pre-print your boarding pass with an [online check-in](#) feature.
- **Schedule Changes**—While our airline partners work to ensure that you reach your destination on time, they do not guarantee their schedules and may make changes to your flight itinerary. Should this happen, we'll send you an email notification and update your reservation online (accessible via MyStuff) with the most current information. If we do not receive suggested changes from the airline, we will attempt to contact you via phone or e-mail to discuss what options may be available. If an airline adjusts its flight schedule, it will attempt to accommodate you on the flight closest to your original scheduled flight. If the new flight doesn't meet your needs, we'll work with the airline to place you on a different flight if available. If we can't find an alternative flight, we'll work with the airline to secure a refund of the fare paid to the airline.
- **Baggage guidelines**—Be sure to review your airlines baggage allowance guidelines. Airline rules for checked baggage allowances vary. Many carriers allow passengers two checked bags and one carry-on while some only permit two checked bags. All carry-on baggage will be subject to search. Review the [Transportation Security Administrations guidelines](#) for baggage.
- **International Travel**—Customs and immigration require certain documents for travel to and from a foreign country. It is the traveler's responsibility to travel with the [required documents](#). No refunds will be made if improper documentation results in denied boarding or entry.
